

Name: _____

The Engineering Design Process - Worksheet

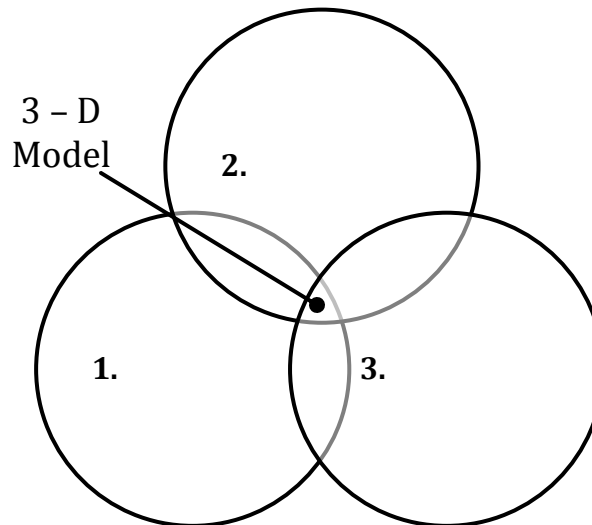

Date: _____

Directions: Look at the descriptions in the assigned boxed and decide which one goes with which step of the Engineering Design Process. Write the appropriate description in the box. Finally, fill in the Linear Approach and Model – Center Approach Engineering Design.

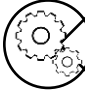

- 3 – D Models
- Virtual Reality Models
- Limitations
- Iterative Process
- Problem Statement
- Product Data Management
- Design and Analysis
- Formal Meetings
- Technical Drawings
- Data Processing
- Marketing
- Manufacturing Processes
- Research

Model – Engineering Approach

Linear Engineering Approach

1.  _____
2.  _____
3.  _____
4.  _____
5.  _____
6.  _____
