

## **Dr. Hon Keung Tony Ng -- Short Bio**

Hon Keung Tony Ng received the M.Sc. and Ph.D. degrees in statistics from McMaster University, Hamilton, ON, Canada, in 2000, and 2002, respectively. He is currently a Professor with the Department of Statistical Science, Southern Methodist University, Dallas, TX, USA. He is an associate editor and editorial board member of many journals such as *Communications in Statistics*, *Computational Statistics*, *IEEE Transactions on Reliability*, *Journal of Statistical Computation and Simulation*, *Naval Research Logistics and Statistics & Probability Letters*.

His research interests include reliability, censoring methodology, nonparametric methods, and statistical modeling and inference. He has published more than 110 research papers in refereed journals. He is the co-author of the book "*Precedence-Type Tests and Applications*" and co-editor of the books "*Ordered Data Analysis, Modeling and Health Research Methods*" and "*Statistical Modeling for Degradation Data*". Professor Ng is a fellow of the American Statistical Association, an elected senior member of the IEEE, and an elected member of the International Statistical Institute.
