Description

Comments:

- Amazing professor looking forward to taking him again in fall
- Amazing professor, provided a lot of opportunities to do well in class. maintained lectures relevant and effective. readily available during office hours or via email.
- Funny and interesting class!
- Good class had some fun and always expected something new :)
- Good teacher, willing to help his students.
- Great Professor, he really likes to help out students when they need it .
- Great Teacher, will take Astronomy 1402 with Dr. Lee
- Recommended 10+
- Great instructor, very clear since the beginning as to what to expect from the class. Very organized person, always right on time for class. I am definitely taking him for the second part of Astronomy.
- Great lecturer
- Great professor!
- Great professor! I look forward to taking him for 1402.
- Great professor! Will take him again.
- Great teacher!
- Great teacher, I signed up for his 1402 course during the fall
- Great teacher, was always available if I had any questions.
- Great teacher, enthusiastic.
- Great teacher.
- He is a great teacher, that cares whether his students pass or fail his class. He is always available for those students who need help.
- He really helped me understand astronomy. He was clear of what he was teaching.
- He was a real good instructor that gave us a lot of opportunities to pass his class.
- Hyun Lee, is really professional. He helped me in every way possible and he teaches the class well enough.
- I still don't understand why he went over the syllabus every class and why he would call people out for talking or yawning but never would call out people laughing and talking during the lecture. If you are going to call people out for talking do it to everyone.
- I think he is a great instructor and I can't wait for 1402
- Intelligent professor who gets to know their students personally. Not just sees them as chair fillers. Knowledgeable and makes the class very interesting!
- Overall, great professor, was always at his office during the time presented in the syllabus, and had a good sense of humor during class.
- Professor Lee was enthusiastic and his course was very straightforward. I've already signed up to take him in the fall for part II. A really great instructor with a very effective approach. I learned a lot, and I actually dislike science. I would highly recommend this professor.
- Professor Lee's lecture are informative and they are interesting as well. He is really good at getting the class to laugh and to pay attention. My experience with his class this semester was well worth it.

-  Really good professor!
-  Really great professor but kind of weird at times.
-  So funny! Loved his class
-  The class is very good and very hard at the same time he is a teacher who really cares for his students, he is always offering a helping hand, the thing is that his exams are a bit tough, its basically lecture for two days and a test the next day
-  The instructor cares for his students success.
-  This class is a really great class, he touches everything in the subject.
-  This professor is the best. Everyone should take him. He is good at teaching the information and explains everything very well. I suggest that everyone who needs to take this course takes this professor. The class was easy and fun due to the professor being such an awesome professor.
-  Very good
-  Very informative with his subject. Helpful just about anytime. Awesome teacher.
-  Very straight forward, there is no denying he comes in to teach and make us learn. Great professor.
-  Your teaching style is just perfect. I like how you review the powerpoints in two days and then we take a quiz on the 3rd day. It allows students to actually study for a test that's coming up. All the time you are at your office ready to assist anyone and I really appreciate that.
-  class was a pleasure, looking forward for ASTR 1402 with the same professor.
-  great professor! very passionate about astronomy!
-  he is a nice teacher, and I would take him again.
