### III. FACULTY DEVELOPMENT

**DIRECTIONS:** Please give your personal comments on instructor effectiveness and general course value. Specific comments are often the most valuable to the instructor.

31. What single aspect of this course did you like the most? Dislike the most?

The lab experiments, Disliked the quizzes.

32. What do you think of the instructional methods used in this course?

Great and to the point.

33. What do you think of the following aspects of the course?

(a) textbooks - unnecessary

(b) assignments - fair

(c) examinations - fair

34. What difficulty, if any, did you experience in completing the required work? Explain.

Some-what difficulty but instructor provided excellent assistance.

35. What changes, if any, would have enabled you to gain more from this course?

If I would have taken this course during a regular semester rather than the summer due to summer classes fast pace.

36. Were you motivated to work for a higher level of skill and/or knowledge in this subject by the instructor? Why or why not?

Yes. The material covered was useful to me and he was happy to help.

37. Did you feel that this instructor was interested and enthusiastic about the subject field? Why or why not?

Yes. One lesson, he was happy to explain what he does outside class and he seemed particularly excited this class.

38. What do you think of the evaluation methods used by this instructor?

Fair.

39. How could this instructor improve his/her teaching effectiveness?

Explain. Keep up the good teaching method.

40. Do you think the stated course objectives were achieved?

Yes.
