III. FACULTY DEVELOPMENT

DIRECTIONS: Please give your personal comments on instructor effectiveness and general course value. Specific comments are often the most valuable to the instructor.

31. What single aspect of this course did you like the most? Dislike the most?

I liked that he cares a lot about his students.

I didn't like that the test were sometimes difficult.

32. What do you think of the instructional methods used in this course?

Perfect because he would give us the most important slides.

33. What do you think of the following aspects of the course?

(a) textbooks - *Helpful, when you don't find something clear in the powerpoints.*

(b) assignments - *H.W was also helpful.*

(c) examinations - *Some what difficult.*

34. What difficulty, if any, did you experience in completing the required work? Explain.

H.W's were pretty long and some things on the test had nothing to do with the slides.

35. What changes, if any, would have enabled you to gain more from this course?

Have time to study more, (me) personally because

I always had 2 exams everytime I would test.

36. Were you motivated to work for a higher level of skill and/or knowledge in this subject by the instructor? Why or why not?

Yes, I actually learned a lot of things. He would also congratulate the students w/ good grades.

37. Did you feel that this instructor was interested and enthusiastic about the subject field? Why or why not?

Yes, very, looks like he really likes astro.

38. What do you think of the evaluation methods used by this instructor?

Excellent.

39. How could this instructor improve his/her teaching effectiveness? Explain.

He does a very good job.

40. Do you think the stated course objectives were achieved?

Yes.

41. Other comments:

Excellent class, enjoyed it.
